

# Safe and Secure Online Education

*Presented by: William Hauk, Cyber Security Specialist*

**Saturday, June 9 • 3PM**

Join us at Salem Terrace as we host William Hauk to present the best strategies to keep you and your information safe online. The presentation was created by the Center for Cyber Safety and Education with the help of the world's leading cybersecurity professionals. We will cover:

- Protection of your online identity and image
- Social networking safety
- Computer safety

The program is free to attend.

**RSVP's appreciated to (540) 444-0343.**
